Teachers, Tutors, and Parents using *Mary Pecci's At Last! A Reading Method for EVERY Child* will find these cards useful in reinforcing the spelling words. They may be used free of charge. They are not a part of the original lessons. Mr. Potter created them to use with some of his tutoring students that he felt would benefit from extra review with flashcard. Teachers are advised to follow all of Ms. Pecci's directions for teaching the words and use these flashcards **only** for extra practice.
